Cartridge World®

Save with the world leader in printer cartridge remanufacturing and refilling!

- Trained Expert Technicians
- Substantial Savings
- An Environmentally Superior Choice
- Business Services

Did you know...?

- The plastic in each new laser cartridge takes almost one gallon of oil to produce while each new inkjet cartridge requires three ounces of oil.
- In North America alone, over 350 million cartridges are discarded in landfills each year and is growing by 12% per year!
- Each cartridge in a landfill takes 450 years to decompose.

Reduce, Reuse, Recycle...
